ArtSpace by the Numbers

Founded in 2001 ArtSpace-Cleveland's mission is to help artists find studio spaces to live and work in Cleveland and Northeast Ohio

Inquiries from two photographers to expand into bigger spaces closer to clients and events in Cleveland. "An ideal location would be a 1st floor studio, heat/ac, natural light, kitchen bathroom, office and large open space for photography ... Plus a responsive landlord."

Artist in South Florida wants to come north for 'a "summer" weather "arts" inspiration with sailing on the big lake as well. Surely Cleveland has better \$\$ cost opportunities than NYC. A successful connection could lead to a permanent studio.'
