

Why Cleveland?

Interview with Joey Thate: *Artist living in Loftworks*

- **Where were you from?** Brewery Artist Lofts in Los Angeles and Downtown Denver
- **Why Cleveland?** Word of mouth. Also close enough to New York and Chicago.
- **What kind of art?** Mixed media textual abstract works with prospective hallways and landscapes

What do you enjoy? I'm just enjoying a huge space for half the price compared to any other city. Asian Markets are wonderful of course. That's a plus.

- **Any art shows?** I have been in Cleveland three months. Working on a series of work that I hope to show in the spring.
- **How could Cleveland help artists?** As anywhere, people living in and around Cleveland must buy from artist living and working in Cleveland. Keep the circle of money closer and help our city.
- **Other thoughts...** Hope to call Cleveland home for years to come.
